Invest in America Auto Program

Aeroquip Credit Union has joined the national “Invest in America” program, offering credit union members cash rebates and discounts on eligible new GM and Chrysler vehicles. This program gives us the chance to help our members save even more on the purchase of their new vehicle, and it demonstrates how the cooperative nature of the credit union benefits the local economy.

ACU is eager to offer this benefit to our members. We are offering great low rates on our new auto loans, as low as 5.49% APR for up to 60 months. If a new car isn't in your future, we can also help you purchase a used vehicle. Our great low auto rates on both new and used autos give you the chance to purchase a vehicle with payments you can afford. Stop by or apply online today at www.aeroquipcu.com.

Enjoy the Ease of e-Statements – Forget Snail Mail

You don't have to wait for your monthly credit union statement to arrive each month in the mail. Thanks to the convenience of modern technology, you can now choose to receive your account statement via e-mail. E-statements are fast, convenient and free, making it an excellent option for any household with a computer and internet access. When you choose to receive an e-statement, a paper copy will no longer be mailed to your house, so you won't have to worry about someone stealing your statement and getting your personal information out of your mailbox.

Our e-statements are sent over a safe and secure connection to ensure the privacy of your personal information. To sign up to receive your credit union statement via e-mail, simply stop by the credit union and talk to one of our Member Service Representatives, or sign-up online at www.aeroquipcu.com and log on to It'sMe247 and click on “view your statement” to enroll today!

Enjoy the ease of e-statements and forget snail mail!
